

Outs: 60 - 69

	First Dart	double out

61	triple 15	Double 8
62	triple 10	Double 16
63	triple 13	Double 12
64	triple 16	Double 8
65	triple 15	Double 10
66	triple 10	Double 18
67	triple 17	Double 8
68	triple 20	Double 4
69	triple 15	Double 12

In this number range, the suggested doubles are a bit different

Double 20 and double 16 only work well for a few outs.

It's good practice to work on new doubles, not just your favorites!
